 气 flowing energy (aura)

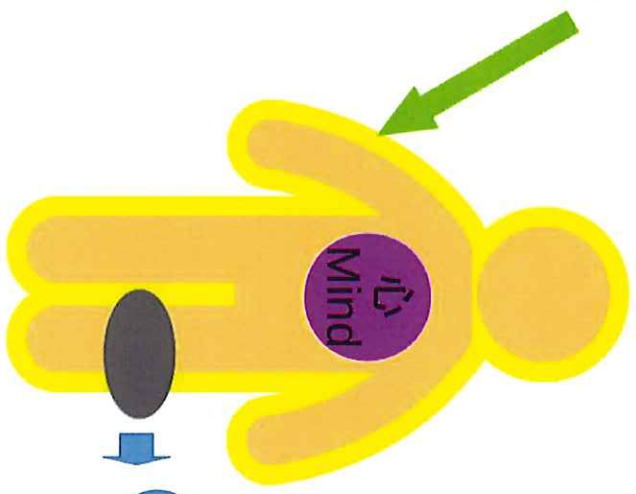

+

米 (rice)

“Ki” is a general term for various kinds of energy existing in the universe, which cannot be measured by science or be seen with the naked eye.

氣は均一ではない

Ki is not uniform

Negative energy which your heart attracted

心が引き寄せた
マイナスの氣

Chronology of Shinkiko-related events

1986

The late chairman was taught the structure of a Ki machine in his dream, and developed the High Genki.

Dec.23,1988

He was told to emit Ki and treat people by an old oracle in his dream, and suddenly Ki started coming out from his hands.

Mar.17, 1990

Rented a yoga training center in Izu-Shimoda and held the first Medical Qigong Therapist Training Seminar with a view to produce more and more people who can emit Ki in a week.

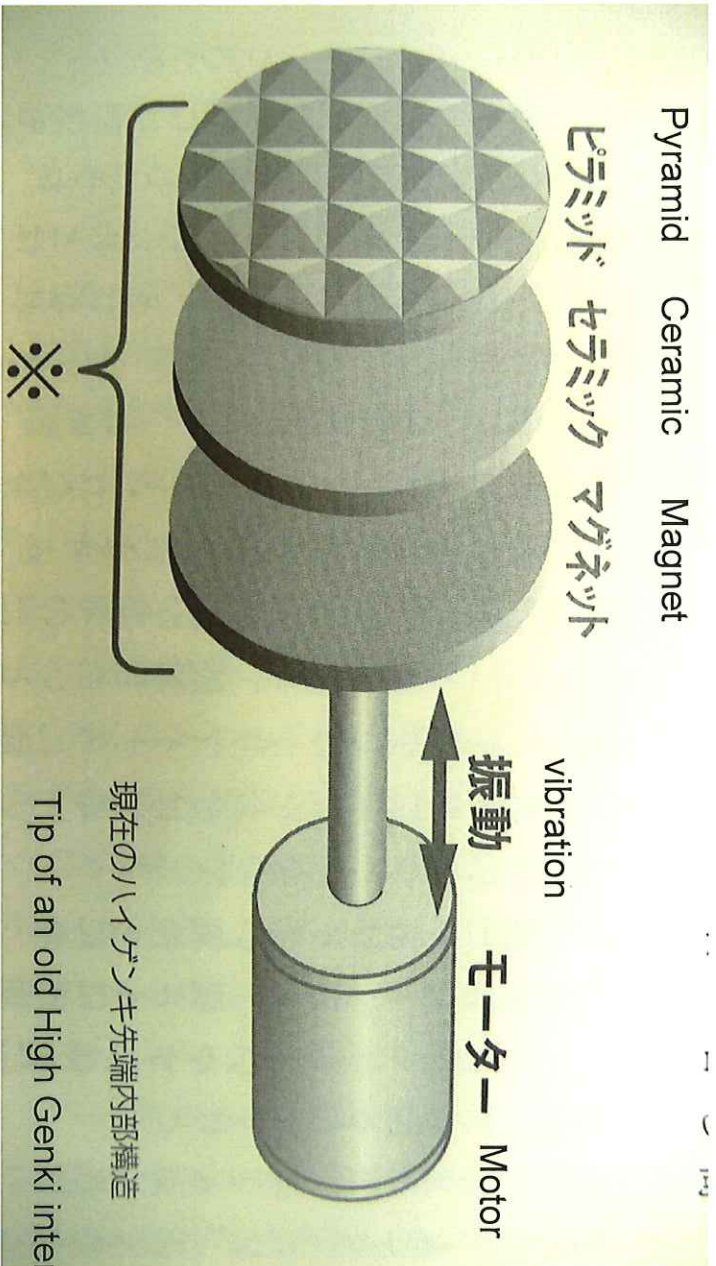

Dec. 11, 1995

The late chairman passed away; and his eldest son, Wataru, took over everything together with his name.

Oct., 2011

Developed High Genki 3 and started to sale.
